**Subject:** ACTION: Update issue papers for RA transition material  
**Attachments:** Big Island Wastewater 3.22.17 final.docx; Rosemont Mine 3.28.2017 final.docx; SSAP 3.28.17 final.docx; CA UIC 3.21.17. final.docx; Hawaii CWA 3.28.17 final.docx

Hi all,

We would like to have an updated set of RA transition briefing material by 7/14. Would you review your issue papers, most recently updated in April, and edit with any necessary updates? We'd like to have the updates by COB Wednesday if at all possible so that we can give one last review and assemble them Thursday, and then provide to Alexis Friday. While we don't have any firm information about RA announcements, we understand it is possible that they may begin soon.

Three of these papers, Big Island Wastewater, Rosemont, and SSAP, were authored by WTR and ENF. The other two, CA UIC and HI CWA, are WTR's alone.

Thanks so much.
